ARTICLE XV DISSOLUTION

Section 1. Vote of Membership Necessary. The Club may only be voluntarily dissolved by election of the members. The Board will schedule an election regarding dissolution if a written petition signed by thirty (30%) percent or more of the eligible members is delivered to the Secretary of the Board. The election must be through written ballot sent to all eligible members. The Club may only be dissolved by an affirmative vote of eighty (80%) or more of eligible members at the time that the ballots are sent.

Section 2. Notice. The Board shall send a notice to the eligible members sixty (60) days prior to any vote regarding dissolution. The notice shall state clearly that the purpose of the vote is to dissolve the Club, shall set forth the effect of dissolution upon the membership, and shall set forth a plan for the payment of creditors and the distribution of the property of the Club.

Section 3. Distribution of Property upon Dissolution. Upon filing the Articles of Dissolution with the Secretary of State, the assets and property of the Club shall be used to pay any outstanding debts and claims. Once all creditors have been satisfied, the remaining assets and property shall be distributed to a nonprofit entity which will function to benefit the members of the Club. The assets and property shall not be distributed to the members, and shall not be distributed to any state, county, or municipal government, public or quasi-public corporation, or any subdivision thereof.

Section 4. Sale of Assets. For the purpose of this Article, the sale or transfer of all, or substantially all, of the assets and property of the Club shall be considered a 'dissolution.' Such sale or transfer is only effective upon compliance with the terms and conditions of this Article. The addition of this Article was necessary to protect the members and the assets of the members of the Community Club from hostile action that would be detrimental to the Club and the community.

ARTICLE XVI MISCELLANEOUS PROVISIONS

Section 1. Corporate Seal. The Club may adopt a corporate seal by majority vote of the Board. If adopted, the seal shall contain the name and words "Corporate Seal" - "Fairfield Bay Community Club, Inc.". This seal may be used on all documents requiring it, and may be used by impressing or fixing thereon.

Section 2. Fiscal Year. The fiscal year of the Club shall be January 1 through December 31, or such date as the Board may determine.

Section 3. Checks, Drafts, Notes. All checks, drafts or other orders for payment, and notes or other evidence of indebtedness issued in the name of the Club shall be signed by such Board Officer or Officers or agents of the Club as shall be determined by resolution of the Board. The Board shall protect the Club's funds and require that all persons dispensing funds of the club by use of their signature be bonded.

Section 4. Membership Privileges. Club Membership privileges shall be afforded only to persons whose names appear on the deed and to all children of the immediate family with a maximum of two families per Lot, Living Unit or Interval Ownership. This assumes the Member is "in good standing" and has no delinquencies owing the Club.

Section 5. Amendment of Bylaws. The bylaws may be amended from time to time by the affirmative vote of the majority of the eligible members voting. Notice of change to bylaws shall follow the rules of announcement for all elections as stated herein.

Additionally, the bylaws may be amended from time to time by the Board of Directors by the affirmative vote of greater than 70% of all of the Board of Directors.

The requirement that an amendment to the bylaws by the Board of Directors be approved by greater than 70% of all of the Board of Directors, may not be amended or changed without the affirmative vote of the majority of the members voting at an annual meeting or in a special election.

Section 6. The Board may not enter into any agreement with any corporation, business, person or persons that would constitute a conflict or would attempt to circumvent any provisions of the Declaration, Protective Covenants or these By-Laws.
