Police Dept. August 2021

We have completed our Memorandum of Understanding with the 20th Judicial District Drug Task Force. This is a yearly agreement of cooperation. They have been assisting us and we enjoy working with them.

Our department has been very short-handed this last month. Two officers had emergencies with their family members that they are still dealing with and we have other tasks that are eating up manpower hours.

August 2021

- We have a legislative update class on August 16th. Prosecutor Carol Crews has invited us and it will give us the first look at what laws have changed during the last legislative session.
- We have submitted a proposal for body cameras for the officers. Last week one of the ones remaining had its battery explode inside and caught fire. No injuries or other damage, but we are running out of cameras.
